Dear Sir:

Since writing you yesterday we noticed a memorandum in our files that Mr. George A. Behm, 10958 Longview Avenue, Detroit, Michigan desires to obtain a United States Distinguished Service Cross for his collection. If you have one you wish to sell you might get into correspondence with Mr. Behm.

Very truly yours,

Dear Mr. Wood:

Your letter of April 6th received together with listing of material.

In my opinion the division is quite satisfactory and the appraisals very fair. Hence, as far as I am concerned, everything is in order for you to take over the material you have indicated you can use and to return the rest to me.

I am sending the itemization on to Mrs. Wyman accompanied by a letter to the effect that I am in favor of the division being made as you have outlined it.

Doubtless she will write you direct giving her final approval and authorizing the return of the balance of the material to me.

Sincerely,

R. A. Webb

Mr. Howland Wood,

Broadway & 156th St.,
New York City, N.Y.

Dear Mr. Wood:

I am enclosing herewith a statement from Mrs. Wyman relative to Mr. Wyman's coins.

It may not be necessary but thought you might want it for your files.

In the letter I received from Mrs. Wyman she said that she neglected to tell you in her letter to you that she wanted Mr. Wyman proposed as the Donor and not herself.

I shall look forward to receiving the returned portion of the coins as I have several local parties who are very desirous of obtaining some of the pieces.

With best wishes, I remain,

Sincerely,
R. A. Webb

P.S. It might be better if the coins were shipped to my office address rather than the P.O. Box as the Railway Express apparantly has some rule against actual delivery to Post Office boxes.
